

INTRODUCTORY PACKET

# SPONSORSHIP PROSPECTUS

---

Dec'2020 - Feb'2020

# What is Winter of Code?

Winter of Code is an open-source program envisioned by DevScript that helps understand the paradigm of Open Source contribution.

It aims to bring students into the world of open source development and see the power of unified problem-solving in real time.

This helps in developing your skills in real-world software development in a wide range of specializations.

# What are the logistics?

The event will take place completely online from Nov'2020 - Feb'2020.

DevScript targets to host approximately 1000 students with varying amounts of experience in computer science domain.

# WHY SPONSOR US?

## Opportunity

- Helps students to get involved in open source
- Prepares them for many open source programmes.

## Benefits

- Make an impactful first impression.
- Have a greater influence on the languages and tools that these coders learn.

## Low cost Marketing

- Take a look at our reasonably priced sponsorship slabs and pick one - at almost 1/100 th of your marketing budget, or maybe even less.

# WHERE WILL YOUR MONEY GO?

The money will contribute to operating expenses, swag, resources, prizes, and anything else needed to run Hack for the People. All contributions to Winter of Code will be tax deductible.
